

NEETs ON BOARD

Programme	EaSI-EU Programme for Employment and Social Innovation
Topic/Keywords	Inclusion / Capacity building, Job and skills, Youth, Employment, Training
Project	<p>The project aims to mobilize and provide advice to young people aged 15-24 who are no longer in the education system and not working or being trained for work (NEETs), residing in Piraeus or in islands of Saronic or in eastern Peloponnese, through the creation of public-private partnerships networks in the field of the Blue Growth and Social Economy. These networks play a decisive role in apprenticeship, workshops, lifelong learning, labour supply, employment, training and networking. Major axes of the project are:</p> <ul style="list-style-type: none">• Identification of NEETs in local level, in cooperation with municipalities' social services, local social policy makers, NGOs, youth organizations etc.• Public awareness and networking of local economic development actors of the intervention areas, regarding the Blue Growth and the Social Economy.• Commitment of the above actors in implementing policies on guidance, training, preparation and support of NEETs in entering the labour market based on these two axes.• Ensure the duration and viability of the local networks with NEETs, creating the conditions for the knowledge and specialized training in the direction of the Blue Development and Social Economy.
	<p>Role of Municipality of Piraeus</p> <p>Municipality of Piraeus will perform the following tasks:</p> <ul style="list-style-type: none">• Implementation of a report/study exploring the business environment of study areas regarding Blue Growth and Social Economy opportunities focusing on analysing market standards, qualifications, related products, services and opportunities for NEETs.• Contribution to the development of the project's portal content and the applications that will promote the labour demand and supply matching and the e-game for the awareness raising of NEETs on YG Programme and related activities.• Operation of a help desk and info kiosks in Piraeus regarding the project's activities and implementation of mobile dissemination campaigns and motivational workshops at schools of Piraeus, Salamina, Aegina, Spetses, Poros and Hydra islands.• Contribution to the promotion of the project over the internet, the social media and radio stations in Piraeus.• Organization of a Career Day and start-up training in Piraeus for the promotion of the project to NEETs and stakeholders.
