

TITLE: SMILE Project final conference – Valencia 28 April 2015

SMILE project is near to its end and the SMILE final conference will take place in Valencia (Spain) the 28 April 2015.

All the project partners, and several other stakeholders from the urban logistics world will attend this special event, where SMILE project's results will be presented as well as other relevant European projects addressing the same topic.

During this final conference, a MED Programme representative will firstly present the priorities for the new 2014 – 2020 MED Programme. Then a presentation of the actions implemented in the various work packages will be carried out by SMILE partners. Eventually, a round table with other EU projects, which have experienced innovative actions in terms of urban logistics, will be held. This round table will be moderated by an INTERACT representative.

A great occasion to share knowledge and experiences.

Take a look to the agenda.
